

Policy 25 - Appendix - Small School Enrolment Supplement

The purpose of this policy appendix is to provide the calculation table for the *Small School Enrolment Supplement* that comprises the calculation for the *Adjusted Full-Time Enrolment* calculation. The *Small School Enrolment Supplement* is outlined in Policy 25 - Financial Allocation Model section 2.1.1.2.5, and provides a funded enrolment adjustment (increase) to regular schools outside the Town of Stettler.
